Kelly Berry, Rachel Baines : Sugar Pie's Shoes before purchasing it in order to gage whether or not it would be worth my time, and all praised Sugar Pie's Shoes:

0 of 0 people found the following review helpful. Best Children's Book Ever!By judy vossI love Sugar Pie's Shoes! I bought one for myself and then 2 others for people who were expecting baby girls!I know the writer. I watched her mature into the wonderful Christian lady that she is today. Her Mother, Gwen, was one of the best friends I have ever had. I felt like I would die when she passed away. This book is so good at teaching multiple lessons to Children. It should be a "best seller" for many years to come!0 of 0 people found the following review helpful. A book with a good message for all...By Debbie GottSugar Pie's Shoes is a great little book that teaches a sweet lesson about God's love and the unique way he has created each one of us. I love the southern charm woven through each page which makes it a fun book to read aloud with a wonderful message to boot. I can't wait to read it to my grandchildren!0 of 0 people found the following review helpful. What a blessing...By Leigh EllenburgWhat a sweet book! Mrs Berry does such a good job bringing it to life as you read the book reminding all of us God has blessed us. It is the perfect gift for any child in your life. I am so glad to be giving these as gifts as well.

GOD is the Gift-Giver, and Sugar Pie's Shoes is a fanciful story about God's funny way of giving every newborn baby a unique blessing. All Kissin's Cows are required to undergo training with a sweet, southern cow named Miss Gwendolyn. Sugar Pie is a cow whose dream of becoming one of God's Kissin's Cows is delayed because of her unusually large feet. She decides her big feet won't get in the way of her becoming one of God's Kissin's Cows. She overcomes her frustration with ingenuity and lots of practice. Along the way, Sugar Pie realizes she can trust in God's provision.

About the Author Sugar Pie's Shoes is Kelly Berry's first children's book. She is a former teacher and preschool director, and her heart's desire is for little ones everywhere to know that God has a plan and a purpose for each one of them.
